

Duke of Ed

Exploration AJs + Gold Residential Project

Purpose based programs with
Pittwater Eco Adventures

Looking for something different for your Duke of Ed? Take part in one of our immersive exploration programs, combining elements of adventure, conservation and wellness.

Enjoy comfortable dorm-style accommodation nestled in the Kuring-gai Chase National Park overlooking Pittwater. Nutritious and ethically sourced dinner meals are provided, and an abundance of wildlife sits at our door.

We cater for students at every level of the DofE award.

Our programs are run as 'combo' trips, meaning they satisfy both the practice and qualifying components of the Adventurous Journey in one trip!

Gold level students can opt to complete our program as either their Adventurous Journey OR Residential Project.

Our programs run every school holidays and are open to students from all schools and states in Australia.

Activities include:

- kayaking
- paddleboarding
- bushwalking
- outdoor yoga
- mindfulness
- cultural learning
- tree planting
- bush regeneration
- beach cleanup
- plastic recycling
- solutions sessions

Accommodation venue:

Exclusive use of Pittwater Eco YHA
